	OR		OR	Shutter Speed: 1/122s
	Manual ☒		Manual ☒	ISO: 40
				Light Meter (Exposure): ∞

Lighting Conditions:

Natural: Sunlight

Artificial: —

Describe how you came to your end result and why you chose this subject:

I chose the gecko because its unique patterns, textures, and eyes caught my attention. I took the photo from a close, low angle to highlight its details and make the gecko the main focus. I used the natural rock as the background to create a simpler, natural composition. Through this photo, I also want to appreciate God's creativity in creating such a unique and beautiful creature.
