-------------------------	------------------

Describe your source(s) of ideas (eg. photo, library book/video):
This is my original idea taken from a cultural cup.

List the materials and tools used in completing your project:
bamboo
sand paper
saw
wire
pencil
knife, wood glue

Describe the step-by-step procedures used to complete your project:
I saw the bamboo, then I sandpapered it to make it smooth. I got a pencil and draw on it then I burnt it with a wire and used a knife to carve the "GCA Team" writing. I used the wood glue to glue the cap handle.
