Source(s) of Images and Ideas (include references and credits, e.g. book title, author, web-site details) I found the image from pinterest, with the creator accounts named Maroun Charkain.
List the program(s) (e.g. Adobe® InDesign®, Microsoft® Publisher®) used to design the poster: I used Canva to make the poster.
Describe the step-by-step procedures used to complete your project: 1. I search for the image 2. I type "Righteous in Christ" as the heading 3. I searched some Bible Verses that talks about righteous in Christ then added it into the poster. Next, I create the box for the verse background. 4. I searched "cloud" in the elements, and chose the white one, then place it on the upper-right corner of the verse box 5. I made the 3 identity icons with brown circle for the background of the icons, then added hearts, cross, cloud elements onto each circles 6. Then I added the label for each icons and added some decorations
