Source(s) of Images and Ideas (include references and credits, e.g. book title, author, web-site details)

I chose to do this digital art because the idea popped up in my brain when I was about to sleep, and I was like, why not?

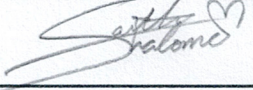

List the program(s) (e.g. Adobe® InDesign®, Microsoft® Publisher®) used to design the poster:

I used Ibis Paint X for my digital art.

Describe the step-by-step procedures used to complete your project:

First up, I drew the sketch first. Then I outlined them all, after that I refined it again. Then I colored them, and I gave some color to the outlines. Then I added the crucial details and rendered the artwork.
