Artificial: -			
Describe how you came to your end result and why you chose this subject:			
I took this picture because the view of Mt. Fuji was so beautiful and peaceful that it caught my attention. The clear blue sky, golden fields, and the mountain standing tall in the distance made the moment feel special. It reminded me of how beautiful and detailed God's creation is, and how sometimes the simplest moments in nature can make us stop, appreciate, and be grateful.
