Lighting Conditions:			
Natural: I took the photo at Pangandaran and it was around 7:00 in the morning.			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
I chose palm trees because I think it stands out from all the other trees and they're tall too.			
I was in Pangandaran with my family, we were walking around when I saw the forest of the palm trees around the road and I thought it look cool so I took the picture.
