Lighting Conditions:			
Natural: The photo was taken using only moonlight at night, with no additional lighting.			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
While I was strolling around at Sapporo, Japan, I noticed a beautiful tree with the moon shining behind it. I decided to try taking a photo of it because I thought the combination of tree and the moon looked peaceful and beautiful.			
The photo was taken at night using only moonlight, without any additional lighting.
