Purpose or use of item: tray with dip/sauce pot

Describe your source(s) of ideas (eg. photo, library book/video):

I wanted to create a sea-themed platter with a dip pot, but I couldn't find anything so I drew my own.

List the materials and tools used in completing your project:

clay, chopping board, pottery tools

Describe the step-by-step procedures used to complete your project:

I started by using a wire tool to cut my desired amount of clay, then I got the air bubbles out by throwing it on to a hard surface. I then rolled out my clay, and cut my shape. Then I moulded my edges to give it sides by adding slices of clay. Next I shaped my turtle and added detail by using the tools, then I made a simple pinch pot and added the wiggly sides.
