Natural: soft, diffused indoor lightning			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
I chose this picture because I've been wanting to see a capybara			
in real life. This picture was taken on October 2025 in a Capy-			
bara cafe. The other option for this event is a picture of my dog.			
Because it was on my other device, I ended up choosing this			
picture.
