SOCIAL STUDIES REPORT - Continued

Give a Scriptural application or reference for your project:
PSALM 19:1 "THE HEAVENS DECLARE THE GLORY OF GOD; THE SKIES PROCLAIM THE WORK OF HIS HANDS."

Give a brief background of your collection or topic that you researched, and why you chose that particular item/topic:
Stamp collecting also known as "Philately," is the hobby of collecting and studying postage stamps and related materials. Stamps are more than just small pieces of paper used for mailing letters- they tell stories about a country's history, culture, important events, famous people, wildlife, and traditions. Many stamps are designed to celebrate national achievements and preserve memories of the past.
I chose Stamp Collection for my Social Studies project because it helps me learn about different countries, historical events, and cultures in an interesting and creative way.
Through this collection, I have gained more knowledge about the Pacific Island Countries and understand how stamps can represent important social, cultural, and historical ideas.
