Purpose or use of item:

Describe your source(s) of ideas (eg. photo, library book/video):

I got my idea from a photo I saw on a website called Pinterest.

List the materials and tools used in completing your project:

I used 4 pipecleaners and 7 colored papers to put my book together. To decorate I used some stickers and gems. I finished printing, cutting and pasting my photos and sentences to complete my project.

Describe the step-by-step procedures used to complete your project:

I first put my book together then I started sticking on my photos and sentences. After everything was dried I started decorating the pages to make it more fun. To be safe I stapled the pages and used the pipe-cleaners to cover it.
