Describe how you came to your end result and why you chose this subject:			
I took this photo on Lake Taharoa, one of the Kai Iwi Lakes, after I finished the visit of Tane Mahuta.			
I added Brightness 18 and Contrast 72, I also increased the Exposure about -56 degrees.			
The reason I chose this photo was because the water of the lake was clear and beautiful. The sun was lovely on that day.
