This is the first time for me to do art so the idea for my coloured pencils came from Harold, a Year 8 student.

List the materials and tools used in completing your project:

ART PAPER, PENCIL, RULER, RUBBER, COLOURED PENCILS

Describe the step-by-step procedures used to complete your project:

1. Draw a straight line to mark the boundary of the ocean
2. Draw the trees followed by rocks
3. Draw and colour sand
4. The sun, and the birds were the last to be drawn
5. Then I colour all that has been drawn.
