

Faith

The year was 2024

Mum was 32

She got very sick

Only God can fix.

Questions asked

Worried hearts,

Unsettled minds

Tears flowing,

Every breath a prayer

To a God who cares.

My Jehovah Rapha

The Lord my Healer,

Plans our lives Knows better,

Have faith in God

No matter how long,

He's never late, never early

Always on time.

The god of the Impossible,

To worship forever.
