My Own Idea

List the materials and tools used in completing your project:

Canvas, Acrylic Paints, Paint Brush

Describe the step-by-step procedures used to complete your project:

- ① I painted the background with a mixture of red, green, yellow and brown.
- ② I left it to dry
- ③ When it is dried, I used white paint to paint the tree, then I brushed red over it thus giving me a pinkish color.
- ④ The using the brush bristle, I bristled white paint over the background to give me a night scenario.
