Describe the step-by-step procedures used to complete your project: 1. I found a picture to use for inspiration. 2. I drew a grid on my paper and drew the outline of the flower. 3. I started shading the center of the flower. 4. I shaded the stem and then the petals. 5. I finished with shading the leaves. 6. The last thing I did was added some darker shading on the stem and around the middle of the flower.
