Artificial:

Describe how you came to your end result and why you chose this subject:

I ordered a rice cake and was immediately drawn to the way it was presented. The arrangement was visually striking, with its composition that stood out as more than just food - it felt like art. I decided to capture this moment in a photograph, recognizing how well it fit into my Portraiture category for the Convention event. This photo demonstrates how artistry can be found in unexpected places, turning a simple dish into a captivating portrait.
