List the materials and tools used in completing your project:

HB pencil, ruler, grid, smudger, charcoal, 6B pencil, rubber, electric rubber, rubber pencil, A4 cartridge paper,

Describe the step-by-step procedures used to complete your project:

First I grided the paper then I drew the koala and the tree outline. Then I put the texture and shading on the body and tree. Then I darkened the places that needed to be darkening. Then I smudged the background. Then I used some rough concrete to do some rubbing for texture on the tree and koala. Then I signed and dated my koala.
