

ALL THINGS

Poetry Recitation – Tubutubu Nailovolovo

All things work together for good
to them that love the Lord,
to those who answer His calling,
according to His Word.

Once in the hands of Jesus
faith is the walk of life;
it causes joy in the sunshine
and delivers us through all strife.

That means every single thing
that happens to you or me
is part of God's mighty plan
to prepare us for eternity.

Though not conscious of His presence,
we engage the shield of faith,

knowing God has provided
the circumstance, time and place.

Nothing that happens can hurt us;
we know He is there by our side;
for all things work for our good,
to perfect and prepare His bride.
