State the purpose, or reason for your project:

I would like the viewers to learn the different currencies of a selection of countries my parents have visited through their work or on family holidays.

Record the process or steps used in preparing your project:

1. I sorted the coins and placed them in zip-lock bags.
2. I cut the stand and covered it with a plain background.
3. I researched about each country's currencies, noting the names of the currencies, if there were changes from old to new currencies.
4. I lay out the information I'd typed up, and decided how to display the coins.
5. I covered my display with clear plastic to protect the coins.

What has been illustrated, or what is the conclusion drawn from your project:

There are different sizes and colours and designs for each country's currency, unique to each country.

SOCIAL STUDIES REPORT - Continued

Give a Scriptural application or reference for your project:

Luke 16:11 "If we have not been trustworthy in handling worldly wealth, who will trust us with true riches?"

Give a brief background of your collection or topic that you researched, and why you chose that particular item/topic:

These are coins collected by my parents on work trips and family trips overseas.

In these last days, it's important that we understand that even though each country has its own currency, it's important that every country understands God as the owner and that we don't own finances - we have to be good stewards of the money God has given, then He will trust us to have more.
