List the materials and tools used in completing your project:

- 20" x 24" white canvas
- blue acrylic paint
- gold ✓ ✓
- red, orange, white acrylic paint
- some tape
- paint brush

Describe the step-by-step procedures used to complete your project:

First, I prepared my materials, including paint, the brushes and the canvas. Then I planned the design by choosing the colours and the shapes. I used the tape to form different kinds of diamonds and started painting over the tape to bring out the shapes. But before I did that, I painted the background a solid gold, and letting it draw before forming the shapes. I then added the handprint in the centre to represent my personal touch and creativity.

(Add additional sheets if necessary)
