

A True Friend

by Belinda van Rensburg

If you should need a friend that's true

Then Christ is the best friend for you

For he is faithful, true, and strong,

And He will never get it wrong!

He'll always answer when you call;

He'll always be there when you fall;

To comfort, heal and hold your hand;

To pick you up and help you stand.

This friend I'm telling you about

Has truly got a lot of clout:

He's the Lord and King of Kings,

Creator; Maker of all things.

His name is Jesus; risen Christ

And He is great in love and might.

All you need to do is pray –

Ask Him into your heart today.
