I got my inspiration from pinterest.

List the materials and tools used in completing your project:

For acrylics, I bought my paint, and paint brush from Superfresh and used a number 0, 2, 6, and 8 paint brush, the only tool that I used was a mixer, to mix my paint.

Describe the step-by-step procedures used to complete your project:

The first thing you want to do is make sure you have the correct materials. After that is done, start with the sunset, then paint the tree branch. When that is done, paint the birds using black.
