Please list the details of the source(s) of your ideas (e.g. book title/author, photographer's name, web address - not Google!) Creation.com Vol. 40 No. 2 2018
List the materials and tools used in completing your project: 6B pencil, smudgers, rubber, electric rubber, ruler, charcoal, paper and sand paper.
Describe the step-by-step procedures used to complete your project: 1. I drew a grid. 2. I drew the outline of the turtle. 3. I drew details on the turtle. 4. I shaded in the background. 5. I drew the rocks in the background. 6. I shaded in the turtle by darkening and lightening certain areas 7. I added a few last minute details. 8. I signed my name. (I decided to change the direction the light was coming from. I changed it to behind rather than in front of the turtle.)
