I was inspired by an artist from Sayatani Creation.

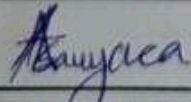

List the materials and tools used in completing your project:

- sketching pencils (HB, 2B, 6B)
- dust-free eraser

Describe the step-by-step procedures used to complete your project:

I started by shaping the moon, then shading the background. Then I drew the two cliffs and then shaded it. Next, I sketched the first tree then the second and then I drew a person sitting on the left edge of the cliff. This sketching has a story/meaning; the cliff on the right is alive. Trees are growing, as well as grass, with a person praying because the person praying has Jesus in their life, and the person on the left is dead.

the grass doesn't even grow and also the leaves, and there is a person sitting on the edge of the cliff making a decision to commit suicide. This is one we are seeing now in the world with our teenagers. They are killing themselves because they don't have Jesus in their life. It is our duty to share the words of the Lord to others; being a true disciple. Lastly, just a Bible verse, which is a well-known verse: Proverbs 3:5 and 6. Trust in the Lord with all your heart and lean not unto your own understanding; in all your ways acknowledge Him, and He shall direct your paths.
