

Title: Seasoned with Grace

Let your speech be always with grace
A gentle word in every place.
Seasoned with salt, both pure and true,
Reflecting Christ in all you do.

Like salt that savors, pure and bright,
Speech preserves goodness, guards what is right.
Each answer given, humble and kind,
Reflects the Savior, heart and mind.

So let our words bring light each day,
Guided by Scripture's holy way.
Colossians reminds us, firm and clear,
Speak with His grace, His love draws near.

Colossians 4:6
