Give a Scriptural application or reference for your project:	
Revelation	7:9
Genesis	1:27
Matthew	5:9.

Give a brief background of your collection or topic that you researched, and why you chose that particular item/topic:

Flags represent different nations and cultures. People from all countries are important and united before God despite their differences. Every country has its own flag, culture and identity. We should respect all nations and people because everyone is created with value and dignity. Flags can also remind us that countries should live peacefully with one another and work together instead of fighting.
