Lighting Conditions:

Natural:
Artificial: It was around 8:00pm, snowy day, the light is from the street lamp.

Describe how you came to your end result and why you chose this subject:

I chose this subject because the snow looked beautiful on the tree. I liked how the snow reflected the lamp's light. I wanted to take a photo of a tree that was leafless, with shiny white snow, and that's how I came with it's end result.
