

MANUAL ARTS REPORT

Name:	Nazarene Teanganaki	D.O.B.	05.06.2015
School:	Suva Christian Community School	Cust Code:	SUVA01

☐ OPEN	☒ U/16	☐ Wood Turning	☐ Metal Sculpture	☐ Clay-Handbuilt
(Please ✓ the appropriate box)		☒ Wood Construction	☐ Metal Fabrication	☐ Clay-Wheel Thrown
		☐ Wood Carving	☐ Sheet Metal Work	☐ Scrapbooking
		☐ Marquetry	☐ Flax Construction	☐ Bilum Making

Use this form for all Manual Arts entries EXCEPT for any Needlework

Purpose or use of item: For storage of stationery or valuables (passport or old photos etc)

Describe your source(s) of ideas (eg. photo, library book/video):

I saw a smaller and different wooden box on Mr. Bower's table in his office. He stores his pencils etc in this box. I showed this to my father and we did some research on the internet to do something similar.

List the materials and tools used in completing your project:

Plyboard, nail, sandpaper, wood glue, hammer, handsaw, kitchen knife, ruler & pencil, paint brush and wood varnish.

Describe the step-by-step procedures used to complete your project:

Please note - my father helped me construct this project.

1. We did the measurement of the plyboard to the correct sizes and my father cut the board with the handsaw. I then sandpapered the six pieces of board.
2. We used the handsaw and knife to groove both sides of the lid so that it could slide in and out.
3. We nailed the three sides together (bottom & two sides) and then nailed both ends to form the box.
4. We cut small pieces of wood and glue this to the box to use as a stopper and opener.
5. Then we varnished the box and lid and left it to dry.
