List the materials and tools used in completing your project: Rubber Stumps (Blending Tool) Sketch Pencils : HB, 2B Weibo Sketchbook. Sharpener
Describe the step-by-step procedures used to complete your project: 1) First, I lightly sketched an oval as the first layer of the basket, using an HB sketch pencil. 2) Then, I drew five small ovals, as bread in the basket. 3) Later, I made sure to draw two fish in the middle of the basket. 4) Now, I used the 2B sketch pencil to outline the outer lines of the sketches. 5) Then, I made sure to shade both the basket, two fish and five loaves of bread. 6) Later, I used the rubber to rub out any error sketchings to make sure the paper was neat.
