

Title: The Shepherd's Care

The Lord is my Shepherd, I shall not want,
He leads me gently, His love I flaunt.
Green pastures call, still waters flow,
His peace restores the heart I know.

Though valleys dark may hide the light,
I fear no evil, He guards the night.
His rod and staff, they comfort me,
A faithful guide through eternity.

Goodness and mercy shall follow near,
His dwelling forever, my soul holds dear.
Psalm 23, my song, my prayer,
The Shepherd's love beyond compare
