

Poem About Light and Hope

By Maya Anthony

Each morning's light, a new chapter starts,
Breaking the night, healing hearts,
Hope's gentle rays, in each part,
Dawn's promise, a fresh art.

Sunrise paints the sky in gold,
In its hues, stories untold,
Hope and light, together bold,
In morning's embrace, we're enfold.

With each dawn, a hope anew,
Brightening skies, in vibrant hue,
Light's embrace, in morning dew,
Hope's whisper, forever true.
