List the materials and tools used in completing your project: Acrylic paint, toy knife, yarn, card, paper, newspaper, scissors, PVA glue, paintbrushes, glitter, pencil, pen, rubber, sheet music, wallpaper, canvas, watercolor, water
Describe the step-by-step procedures used to complete your project: First, I painted the canvas using the toy knife to get a textured background. Then I added the blue, darker pink, and some white, giving it more variety. Next I cut out the body and ripped some pieces of newspaper, wallpaper, and colored paper and card, and sheet music that I made older by scrunching up and painting it grey with watercolor. After sticking it on, I gave her some hair, then added the music notes and signed it.

(Add additional sheets if necessary)
