				Light Meter (Exposure):	

Lighting Conditions:

Natural: The sun's light was shining through the window behind my objects.

Artificial:

Describe how you came to your end result and why you chose this subject:

My teachers gave the school various objects to photograph and I noticed a lot of the objects were brown. I took some of these objects and placed them on a table and I arranged them. I then took the picture. While editing I cropped it and changed the lighting.
