						Light Meter (Exposure):

Lighting Conditions:

Natural:

Artificial: The light in the car/motorcycle showroom made an excellent studio light

Describe how you came to your end result and why you chose this subject:

I chose this photo because I was a big fan of super cool engines, and I originally took the photo to make it my profile picture to impress people. And um, I'm very delighted with the results, and I also probably took the photo at around 1:05 P.M.
