Scrapbook, colored card, paper, photos, pencil, scissors, double-sided tape, border maker, shaped punches, circle cutters, oval cutters, colored pens, small guillotine, paper cutter, curved line cutter, computer for text.

Describe the step-by-step procedures used to complete your project:
First I selected and printed photos. I planned where each photo would go. Going from page to page, ending with the title page ☺, I stuck photos, frames, and embellishments on with double sided tape. Then I typed out all the journalling and wrote on some titles.
