| While I was at the beach to have fun with my family, I stayed there from the afternoon until the evening. During the sunset, the sky turned red, orange, and blue. When I saw it, I thought it would be cool if I took a photo of it. |                                               |                         |                                               |
