

Believe the Gospel

Bible text: I Corinthians 15:1-4

Many churches in this world do not follow what the Bible says. They put their own righteousness. They are supposed to put their faith and trust in what Jesus Christ did on the cross, the death, burial, and resurrection of Jesus Christ.

Our Gospel or Good news is the death, burial, and resurrection of Jesus Christ.

I Corinthians 15:1-4 – The Apostle Paul preached to the church of Rome about the death, burial, and resurrection. He preached the Gospel to the Christians in the church of Rome.

Many Christians believe in their own righteousness. They don't put their faith and trust in the righteousness of God; what will God say to this kind of people.

Matthew 7:21-23

Verse 22: Many Christians will question God about their own good works they have done. Proverb 20:6

Verse 23: God will say, "Depart from me." Why? Because they put their faith and trust in their own righteousness and have not put their faith in the blood of the Lord Jesus Christ for salvation. Romans 10:3

As we want to go to Heaven, we must repent of our sins and receive Jesus Christ as our personal Saviour and trust in His righteousness. Then God will accept us to Heaven.
