Describe how you came to your end result and why you chose this subject:			
I took this picture because this moment in Japan felt special to me. I loved the colorful signs, tall buildings, and clear blue sky, and I wanted to capture the feeling of being there. I used a low-angle perspective, pointing my camera upward to make the buildings look taller and frame the sky in the center. It reminds me to appreciate the little moments and be grateful to God for the memories I get to make.
