Canva was used for the images and text. I got the verse from a KJV Bible. I got the idea from myself, I thought a forest would look scenic.

List the program(s) (e.g. Adobe® InDesign®, Microsoft® Publisher®) used to design the poster:

Describe the step-by-step procedures used to complete your project:

I first looked for a verse from Psalm and I found Psalm 41:1 which I liked. Then I looked up Canva on Google. I added a forest / mountain background and the verse. Next, I added a border around the verse. Lastly, I put some rays in the top-right corner.
