Please list the details of the source(s) of your ideas (e.g. book title/author, photographer's name, web address - not Google!) This was an original idea.
List the materials and tools used in completing your project: Canvas, Sharpie, pencil, rubber, ruler, felt tip pens, compass
Describe the step-by-step procedures used to complete your project: First I roughly sketched all of my ideas on a separate piece of paper. Then I drew the lines and circles on the canvas. Then I drew each of the images within each circle. Then I colored in each of the scenes with felt. Then I used a Sharpie and went over the lines and circles. Then I colored in the frames around each circle. Then I signed my name.

Artwork Description:
The symbolism of this piece of art to me personally is that I really love nature and I think God's Creation is beautiful. Each of these scenes bring out a different aspect of God's Creation and each is beautiful and meaningful in its own way. Seeing God's Creation is always a positive experience and it refreshes me when life gets to be too much. Sometimes all I need is to stop focusing on the negative and lift my eyes to the sky, or the trees, or the water, or the land, or the flowers, and this lifts the perspective of my soul back to God. Creation shows us that our God is creative and interesting and makes things just for the beauty, just to cultivate happiness.
