List the materials and tools used in completing your project: I used an A3 sized paper, a ruler, a rubber, a HB pencil, yellow, black, white, blue, brown, grey and green watercolour, various watercolour brushes, water, a fan brush and white acrylic paint.
Describe the step-by-step procedures used to complete your project: First I got an image of the Kazakh Steppe and I then sketched it onto A3 sized paper with the help of a grid. Next I started to paint the sky and then the grass. The horses looked to paint so I didn't do them. I used the fan brush to create a better grass texture. Then I started the hills and mountains. I quickly stopped that to add a big cloud using acrylic paint. After that I finished the hills and mountains and I went over the landscape with yellow watercolour. Finally I added my signature and the year.
