List the materials and tools used in completing your project:

Pencil, eraser, ruler, and drawing paper

Describe the step-by-step procedures used to complete your project:

1. I draw a rough sketch of what I want and change some things about it till I like it

2. I erase the sketch till I can barely see it then I start the real sketch

3. after that I start shading some parts adding detail to some parts and fix some other parts if needed

(Add additional sheets if necessary)
