Lighting Conditions:			
Natural: A sunset painted with reddish colors.			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
My hotel in Gali was in front of a popular and clean beach where people surfed & schooled in surfing. During this time, I played at the beach and a lot of people were using and playing with firecrackers. I took a photo of this because the scenery was very pretty because of the red color palette in the sky.
