

FORGIVENESS

Paige and Laura are playing with a skipping rope. Laura is skilled and is going fast. Paige wants a turn and Laura gives her the skipping rope. Paige tries and trips over, and Laura laughs at her, imitating her tripping over. Paige stands and expresses that her feelings are hurt. Laura is sorry and tells Paige that she was trying to be funny. Paige feels better and they forgive each other with a hug. They leave the skipping rope and move to the back of the stage.

Grace and Holly enter the stage and start playing with the skipping with the rope that Laura and Paige discarded. Grace becomes overenthusiastic, goes too fast and trips over the rope. Holly laughs at Grace and imitates her falling over. Grace is frustrated with Holly and gets up and smacks her. Holly is angry and slaps Grace back. This starts a full-blown fight. Laura and Paige come over and try to pry Grace and Holly off each other. Laura is holding Grace back from attacking Holly, and Paige is holding Holly back from attacking Grace. Holly and Grace are lunging at each other until Laura and Paige calm them sufficiently to talk to them and try to convince them to forgive each other. Holly and Grace refuse to forgive and walk to opposite sides of the room and sit down in a huff. Laura and Paige discuss what they can do to help Grace and Holly to forgive each other. Paige walks over to Grace but runs into an invisible wall. Laura is similarly surprised as she walks over to Holly. Paige and Laura again discuss their course of action. Paige then walks to Holly's wall and Laura to Grace's and knock on the walls of the boxes Holly and Grace subconsciously created in their anger and unforgiveness, begging them to come out and forgive each other. Holly and Grace turn to look and then face away. Laura and Paige continue to knock while Grace and Holly sit defiantly in their

boxes. The day passes to night and night back to day, and nothing changes. Laura and Paige show their loyalty and their friendship by staying beside them and encouraging them to forgive each other.

Holly's heart softens as time goes by, and she listens to Paige. Holly stands up and walks through her wall with no difficulty. Paige is surprised and tries to find the wall, but it has disappeared without a trace. Holly walks over to Grace and knocks on Grace's wall. Grace looks up. Holly pleads with Grace and is joined by Laura and Paige. Grace is troubled and is crying, and she wavers in indecision. Grace makes up her mind and stands up; takes a deep breath. Others are hopeful. Grace turns to them and walks through her wall. Grace hugs Laura and Paige, then turns to Holly and asks her for forgiveness. Grace and Holly make up and hug.
