Purpose or use of item:

Describe your source(s) of ideas (eg. photo, library book/video):

My source is photo frame. I chose these when I saw a beautiful photo frame in Ted's Dad's house.

List the materials and tools used in completing your project:

- 1 Wood
- 2 Table saw
- 3 Sandpaper
- 4 sketching paper
- 5 Ruler
- 6 Varnish

Describe the step-by-step procedures used to complete your project:

First of all, I search for a wood then I use a table saw to short it and slice it into ~~pieces~~ four (4) pieces, then I use a ruler to rule a line and measure it and short them in a actual measurement. Then I sand paper it and varnish it. Finally I put my sketching ~~inside~~ my photo ~~frame~~ into a frame as a complete and perfect photo frame.
