List the materials and tools used in completing your project: A4 cartridge paper, HB pencil, 6B pencil, 3B pencil, ordinary eraser, electric eraser, small brush, blender stick, ruler, charcoal stick.
Describe the step-by-step procedures used to complete your project: 1. First I found my inspiration by searching simple sketched cross pictures. 2. Next I sketched the cross and hill. 3. Then I shaded the cross and the hill, and put in the shading for the sky. 4. After that I worked on my light patches on the hill, cloth, and around the cross. 5. Finally I signed my initials, and sprayed the whole thing in fixative.
