		Light Meter (Exposure):	
Lighting Conditions:			
Natural: It was taken at 6:48 am			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
I found the sunrise early in the morning when the first light began to appear and the beauty of the colors reminded me of God's new mercies. Seeing how the sky changed so softly, I felt led to capture the moment as a reminder of God's faithfulness at stars of start of each new day.
