

GOD'S LOVE

God's love shines brighter than the morning sun, A gift so pure, given to everyone.
Through every struggle, through every fear, He walks beside us and stays near.
His mercy guides us day by day,
And lights our hearts along the way.

When storms arise and skies turn gray, God's loving hands show us the way. He
gives us strength when we feel weak, And hears the prayers we softly speak.
His endless grace will always stay, No matter how far we may stray.

In every flower, mountain, and tree, We see His love surrounding Us. The
beauty of creation shows His care, A reminder that He's everywhere.
His blessings fall like gentle rain,
Bringing comfort through our pain.

Though we may stumble and make mistakes, God's love remains and never breaks.
He forgives us with a caring heart,
And offers us a brand-new start.
His faithfulness will always be,
A source of hope for you and me.

So let us trust His holy name,
For yesterday, today, He's the same. His love is endless, strong, and true, A
precious gift for me and you.
Forever grateful, we will stand,
Held securely in His loving hand.
