| Describe the step-by-step procedures used to complete your project:                                                                                                                                                                                                                                                                                   |
| I went on Biblegateway to find some good verses, one I found one I copied it and put it in canva. I looked for a good globe from canva and added it. Then I thought a cool detail could be a cross in the sun. So I did that. I made the text a gradient of yellow to orange like the sun is reflecting on it. Then I made it curve around the globe. |

(add additional sheets if necessary)
